

Potential Sponsor and Music Enthusiast,

We invite you to join the Westwood Area Band Booster (WABB) organization in supporting the passion and hard work of hundreds of talented band students from Westwood High School and its feeder middle schools, Canyon Vista & Grisham. **With corporate sponsorship, you can make a lasting impact on these remarkable musicians and gain valuable visibility for your business throughout our entire Westwood community.** *Your support really helps!*

WABB raises funds for resources beyond district supply: travel expenses, instrument purchase & maintenance, private lessons, and the talent to design captivating performances that challenge and inspire our students.

- As Round Rock ISD faces budget shortfalls from state funding this year, every school program will sustain budget cuts. **WABB has to help** the band meet expenses normally covered by the district.
- As families continue to face tightened budgets from inflationary pressures that don't seem to have left the grocery aisles, travel expenses or mortgage rates, **we don't want to leave any kids behind** who want to play music for the joy that springs from the camaraderie and beauty it creates.

By sponsoring the Westwood Band, **you are helping our next generation learn skills needed to be successful.** Playing an instrument requires hard work and personal discipline for steady progress. Band participation requires dedication, collaboration and sacrifice toward a goal beyond individual acclaim. Learning drill and choreography requires creativity and flexibility that help students take risks and learn to adapt.

*Over the entire year we have a goal to raise over **\$150,000** to help fund our band program.*

Our new head band director, Brittany Dacy, is an alumnus of the Westwood program. Her love for music and dedication to investing in the next generation of Westwood graduates are on display in everything she does. She lives and breathes our Westwood motto:

- We have **PRIDE** in everything our band program has accomplished and in ourselves.
- We encourage the **PASSION** each one of our students holds, for music and other activities that bring them joy and help them grow.
- We do each of these things, because we are a **FAMILY** of choice through our shared love of music.

We'd love to have your partnership to continue our proud tradition of excellence!

We sincerely thank you for considering sponsorship. For further details, please check out our website for [sponsor benefits](#) or contact our fundraising team at fundraising@westwoodband.org. **Together we can create a dynamic partnership that amplifies the joy and success of our remarkable band program.** *We look forward to hearing from you.*

Sincerely,
Erica Gant
